- ◇ Control and remote viewing via Eseecloud APP
- ◇ Supports microSD/TF card for recording (max. 128GB - Card NOT included)
- ◇ Power DC12V/2A by supplied AC adapter

Specification:

System	P2P	Supported	
	ON-VIF	Supported	
	DDNS	Supported	
	Mobile phone APP	Eseecloud for iPhone, Android	
	CMS Software	Windows System, 64 channel display	
	MicroSD Card (Not included)	Alarm, 24/7 recording (max. 128GB)	
Internet	Network protocol	HTTP, UDP, SMTP, FTP, DHCP, DNS, NTP, UPnP	
	Wired	RJ45 10/100MB Ethernet	
	Wireless	Wi-Fi (IEEE 802.11b/g/n) 2.4GHz	
	Wireless rate	150Mbps (Max)	
	Online users	Max. support 5 online users	
	Code stream	Dual Code stream	
	Lens	Lens Kind	HD Lens
		Sensor	1/2.7" CMOS Sensor
Resolution		5MP	
Lens		Fixed: 3.6mm	
Angle		360 degree	
IR-CUT		Supported	
Video	Video compression format	H.264 / H.265	
	Video frame rate	1~25fps	
	Image adjustment	Brightness, contrast, saturation	
	Minimum illumination	0.4 LUX	
	Signal to noise ratio	>48dB	
	Audio	Audio compression format	G.726 / G.711
Built-in microphone		Supported	
External speaker		Supported	
PTZ	Motor	Built-in motor control Human motion tracking	
	Rotation angle	Horizontal: 355 degrees Vertical: 90 degrees	
Night Vision	Modes	Smart Night Vision (Auto) Full Colour and Infrared	
	Light source	4x Bright White and 4x IR LED's	
Alarm	Alarm detection	Humanoid and Motion Detection	
	Alarm notification	iPhone, Android APP notification	
Physical	Body material	ABS	
	Use environment	IP66 Indoor or Outdoor waterproof	
	Power consumption	DC12V / 2A	
	Operating temperature	-20degC to +50degC	
	Working humidity	10%~80% RH	
	Weight	0.5kg	
	Accessories	Manual, Bracket, Screws, AC adapter Includes 5m power extension cable
